Seward took a fall out of Hampton, the strong Hamilton county five, by defeating the latter by a score of 42 to 12. Hampton was also defeated by a score of 75 to 17 by the Grand Island Business college. Kearney has a veteran squad, but is not showing up so well this year in comparison with other teams of the state. Plattemouth took a fall out of Nebreska City, but the victory can easily be attributed to the loss of Sam Kellogg, star center, who graduated the week before. "Hey, you, 'Runt!' Get in that box and let's see what you kin do.' Proudly, almost haughtily, "Runt" strode to the mound. Three men were on the bases. "Runt" uncorked his usual warming up benders, then hitched up his belt, nedded in affirmation of his catcher's signal, wound up, and the ball was seen hurrying at a terrible clip toward the batter.

The batter, however, reached out his war club, caught the ball fairly and squarely on the seam and sent it collid-ing against the fence for three bases which, of course, sent across three more
